## Homecare Homebase Announces November 2024 Gold Standard Award Winner

**Dallas, TX – Nov. 12, 2024** – [Homecare Homebase](#)<sup>SM</sup> (HCHB), the leading software provider for home-based care, is proud to name Jim Jewett, Physical Therapist at Summa Health at Home<sup>TM</sup>, as the November 2024 Gold Standard Award winner.

"Our Clinical Management Team chose to nominate Physical Therapist Jim Jewett for the HCHB Gold Standard Award because he uses HCHB to chart and provide exceptional care to his patients," said Jessi Smith, clinical manager at Summa Health at Home<sup>TM</sup>. "Jim exceeds his goals for productivity, completes all documentation timely, and includes the accurate and necessary documentation for each patient. He shows his expertise by being an example to his peers and always being available if anyone has questions or needs his feedback."

The Gold Standard Award celebrates outstanding home-based caregivers who utilize HCHB to deliver exceptional patient care. Nominees are submitted by their agency leaders and meticulously chosen by the HCHB team for their expertise, enthusiasm, and steadfast dedication.

"I'm honored to have received Homecare Homebase's Gold Standard Award. While there have been many changes in my 26 plus years in Homecare, the one constant has been my desire to continue to improve the ability to deliver personal and compassionate care," said Jewett. "I am grateful for the opportunity to serve our patients and their families."

"Jim's dedication to delivering excellent patient care is exactly what we look for in a Gold Standard Award winner," said Brandy Sparkman-Beierle, chief clinical officer at Homecare Homebase. "Jim's dedication and expertise not only supports his team but also significantly enhances the lives of those he serves. We're proud to recognize his hard work and commitment."

### **About Homecare Homebase, LLC**

Founded by industry veterans in 1999, Homecare Homebase<sup>SM</sup> (HCHB) is a Dallas-based software leader empowering exceptional home-based care through hosted, cloud-based technology solutions and administrative services. HCHB's customized mobile solutions enable real-time, wireless data exchange and communication between field clinicians, physicians and office staff for better care, more accurate reporting and improved revenue cycle management. HCHB's products and services streamline operations, simplify compliance and boost clinical and financial outcomes for home-based care agencies. Each year, over 200,000 HCHB users serve approximately 800,000 patients daily, resulting in over one hundred million visits. The company is part of the Hearst Health network. For more information, visit [www.hchb.com](http://www.hchb.com) or call us toll-free at 1-866-535-HCHB (4242).

### **About Hearst Health**

The mission of Hearst Health is to help guide the most important care moments by delivering vital information into the hands of everyone who touches a person's health journey. Care guidance from Hearst Health reaches the majority of people in the U.S. The Hearst Health network includes [FDB \(First Databank\)](#), [Zynx Health](#), [MCG](#), [Homecare Homebase](#), [MHK](#) and [QGenda](#). Hearst also holds a minority interest in the precision medicine and oncology analytics company Aster Insights. Follow Hearst Health on X [@HearstHealth](#) and LinkedIn [@Hearst-Health](#).

### **About Summa Health at Home**

Summa Health at Home is a Joint Venture formed by Alternate Solutions Health Network and Summa Health System. Alternate Solutions Health Network (ASHN) was founded in 1999 to transform the quality, coordination, and cost of care through innovation, technology, and specialized home health intelligence. ASHN partners with premier health systems across the United States to create post-acute home health and hospice care solutions, delivering efficient centralized operations and utilizing a best-in-class software platform. ASHN is dedicated to transforming the quality of care for its partners, patients, and communities. For more information, please visit [ashealthnet.com](http://ashealthnet.com). Summa Health System – headquartered in Akron, Ohio – is one of the largest integrated healthcare delivery systems in the state. Formed in 1989 with the merger of Akron City and St. Thomas Hospitals, our nonprofit system has 8,000+ employees; nearly 1,000 credentialed physicians; and buildings and facilities totaling more than 3 million square feet across all our campuses.
