## Homecare Homebase Announces April 2025 Gold Standard Award Winner

**Dallas, Texas – April 01, 2025** – [Homecare Homebase](#)<sup>SM</sup> (HCHB), the leading software provider for home-based care, has named Emily Campbell, Occupational Therapist and Therapy Liaison at National Church Residences Home Health, as the April Gold Standard Award Winner.

“Emily is an invaluable asset to National Church Residences. Her unwavering compassion, unmatched professionalism, and exceptional skills as an Occupational Therapist ensure that residents receive the full spectrum of care they deserve and are entitled to,” said leaders at National Church Residences. “Her dedication to improving the lives of elderly clients goes far beyond her professional responsibilities, and she is deeply committed to helping each individual live their best life every day.”

The Gold Standard Award celebrates outstanding home-based caregivers who utilize HCHB to deliver exceptional patient care. Nominees are submitted by their agency leaders and meticulously chosen by the HCHB team for their expertise, enthusiasm, and steadfast dedication.

Campbell was named this month’s Gold Standard Award winner in honor of National Occupational Therapy Month. She was selected for exemplifying the highest standards of excellence in her field—combining clinical expertise with a personalized approach by learning each client’s unique motivations and tailoring their treatment plans accordingly.

“In her position as an Occupational Therapist, Emily demonstrates a profound understanding of the human body and the intricate challenges faced by elderly individuals,” said National Church Residences leaders. “Even when faced with obstacles, she treats everyone with the utmost respect, empathy, and care and trains staff working in these senior living facilities to do the

same. Emily is a true champion for the elderly, as her dedication and focus remain unwavering on the well-being of those she serves.”
